Topic Evaluation and Comments

What topic in the meeting was most helpful to your business and why?

The idea of forming relationships to strengthen your business.

The importance of forming relationships and communicating with all races and ethnic groups.

Great presentation.

Excellent topic, but not all of us have access to CEO.

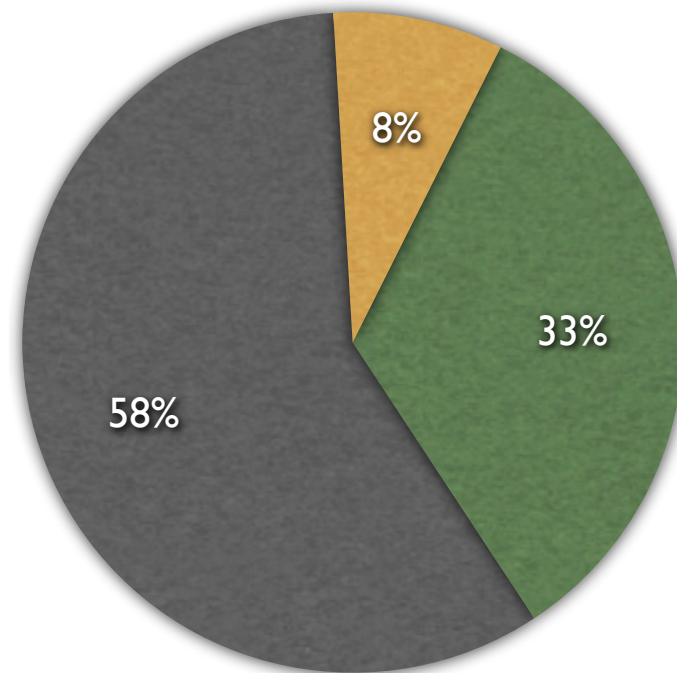

Building relationships, don't send black person to the black community.

Public Relations= Human Relations

His message on relationships.

All of it, Especially relationships- human relations.

This is bigger than that, but I will carry this message out into the world and do my part to bring about change.
